Applications for Federal 5310 Discretionary Funds

The Douglas County Public Works Transportation Division is requesting applications from qualified Special Transportation Service Providers for a discretionary offering of Federal 5310 funding. The primary purpose of this Federal 5310 Discretionary funding is to care for the transportation needs of older adults and persons that have a disability. Eligible projects are operations, mobility management, purchased service, and preventative maintenance. Douglas County is tasked with the responsibility of distributing the aforementioned funding in such a manner so as to benefit as many Douglas County residents as possible.

In harmony with the Douglas County Grant and Funding Allotment Procedure, applications are being accepted for the available Federal 5310 Discretionary funds. This is a statewide competitive solicitation. Qualified Special Transportation Provider Agencies and Organizations that would like to submit an application should contact Dennis Pinheiro, Transportation System Mobility Manager, Douglas County Public Works Transportation Division, 1036 SE Douglas, Room 306, Roseburg, OR 97470, or by telephone at 541-957-3789. All correspondence and inquiries concerning this request should be directed to Dennis Pinheiro.

Applications for this discretionary offering of Federal 5310 Discretionary funding must be received by **5:00 pm, Thursday, December 28, 2017**. You may mail completed applications to Douglas County Public Works Transportation Division, Attention: Dennis Pinheiro, 1036 SE Douglas, room 306, Roseburg OR 97470, or you may email the application to depinhei@co.douglas.or.us
